

# DCA 2018 Annual Auction

Dana Point, California – Tuesday, February 27, 2018

**Going once...going twice....SOLD!**

DCA is making preparations for the 2018 Annual Auction to be held during the convention in Dana Point, California on the evening of Tuesday, February 27.

Each year, DCA contractor and associate members gather for a lively and spirited auction raising critical funds for the association. The funds raised support DCA educational programs as well as scholarships awarded to worthy candidates whose field of study will promote and/or enhance the industry. 2018 will have a special emphasis on Workforce Development. Since 1991, the DCA auction has raised almost \$4 million. Last year, DCA members showed their overwhelming support for the association with their generosity, raising a record amount of over \$900,000 for grants, scholarships, and educational programming.

The success of the auction relies on the generous donations by DCA members. A few weeks prior to the event, the full-color catalog will be available online. The excitement and energy continues to grow from the start of the online silent auction bidding to the closing gavel of the live auction.

The winning bid of an item also helps the donating company achieve sponsorship levels of Silver, Gold and Platinum for next year's convention.

We ask that your generosity continue this year by donating an item.

**Please complete the attached form or visit the DCA web site at [www.dcaweb.org](http://www.dcaweb.org) to make your donation online.**

**Please complete the auction form by December 13, 2017.**

**We wish to THANK YOU in advance for your support and generosity.**
