

2018 DCA Arthur T. Everham Safety Award

Safety excellence was recognized at the DCA Annual Convention, March 4-9, 2019 at the Grand Hyatt Baha Mar, Nassau, Bahamas, where companies were rewarded for the effectiveness of their safety programs. The DCA established the Arthur T. Everham Safety Award in 1986 to recognize contractors with exceptional safety programs. Judging criteria includes: the number of OSHA lost workday cases, number of OSHA restricted duty days, number of first-aid cases, number of fatalities, the presence of a documented safety program, the use of a drug-testing program, and the company's Experience Modification Rate.

The award is highly coveted as recipients are recognized and honored by competitors. For 2018, the categories awarded are:
